Re: Letter of Recommendation for Michael Doyle Civil Engineering.

Dear Sir / Madam,

I would like to recommend Michael Doyle Civil Engineering as an extremely competent contractor that we have continuously worked with for a number of years.

As the Senior Contracts Manager on a number of projects for Cleary & Doyle Contracting Ltd, I have known Michael and his team to be reliable, cost effective, safety conscious and above all to produce quality workmanship, therefore I feel that they would be a deserving candidate for any tender list.

In particular, I would like to highlight their proactive approach to value engineering projects which have saved this company time and money.

I have always found account negotiations with MDCE to be fair and reasonable.

Should you have any reason to contact me on this matter, please do not hesitate to do so.

Kind Regards
