RE: Michael Doyle Civil Engineering

To Whom It May Concern:

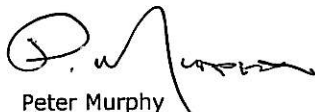

Michael Doyle Civil Engineering has worked on a contract basis for Coillte Teoranta for the past 3 years. Their work included New Forest road construction, forest road upgrade, bridge and culvert construction throughout the Coillte estate.

Whilst working for Coillte they have shown the utmost professional respect and know how, without issue, for Coillte's core values and high standards of practice in environmental issues, health & safety and FSC certification requirements.

All requested tasks were carried out on time and finished to a high specification. We found their staff at all levels to be alert and professional at all times, very trustworthy, and showed proven technical expertise in all work environments. All staff are dedicated, committed and focused to the job on hand. All machinery and materials provided was suited perfectly to the job in hand.

Coillte hopes to continue to enjoy a great working relationship with Michael Doyle Civil Engineering .

Yours sincerely
